Ecological Suggestion of the Week

Use safer anti-freeze for your car. Many children and animals have died because of accidental poisoning from anti-freeze which has a color and taste similar to fruit punch. Choose a less hazardous anti-freeze with propylene glycol base, such as SIERRA Anti-Freeze/Coolant.
This message was brought to you by the Environment Committee at x313.

Pasuk of the Week

"That night Adonai appeared to him and said, 'I am the God of your father Abraham. Fear not for I am with you, and I will bless you and increase your offspring for the sake of My servant Abraham.'"
